Night work: Pennant Hills Road traffic light installation – Wahroonga

Dear resident,

As part of work to build the northbound exit ramp and southbound tunnel entry ramp, the intersection of the M1 Pacific Motorway and Pennant Hills Road is being upgraded and new traffic lights will be installed.

This work will start on **Monday 5 March 2018** is expected to take about four months to complete, weather permitting. A map of the work area and traffic light locations is included in this notification.

To ensure the safety of motorists, pedestrians and workers, work will be carried out at night between **Sunday and Friday from 8pm to 5am**, weather permitting.

The main work activities include trenching for power and telecommunications, relocation of a junction box, installing traffic lights and cables, concreting, testing and completion work.

Plant and equipment for this work includes an excavator, vacuum truck, hand tools, demolition saw, elevated work platforms, concrete trucks, lighting towers and light vehicles.

You may experience noise during this work and we will make every effort to minimise impacts by:

- > consulting with directly affected residents
- > providing respite for residents most affected by noise
- > using non-tonal reversing beepers on machinery
- > turning off equipment and vehicles when not in use
- > using solar-powered lighting towers where possible
- > directing noise generating equipment away from residential properties where possible.

Traffic changes, traffic controllers and pedestrian management will be in place for the safety of motorists, residents and workers. Please allow extra travel time and visit livetraffic.com, download Live Traffic App or call the Transport Management Centre 132 701 for the latest information.

If you have any questions, complaints or would like to register for SMS updates, please contact us on 1800 997 057 (24 hours), enquiries@northconnex.com.au or visit the NorthConnex Community Information Centre at 118 Yarrara Road, Pennant Hills, open Monday to Wednesday, from 9am to 1pm.
