Hills M2 Motorway out of hours work and ramp closures

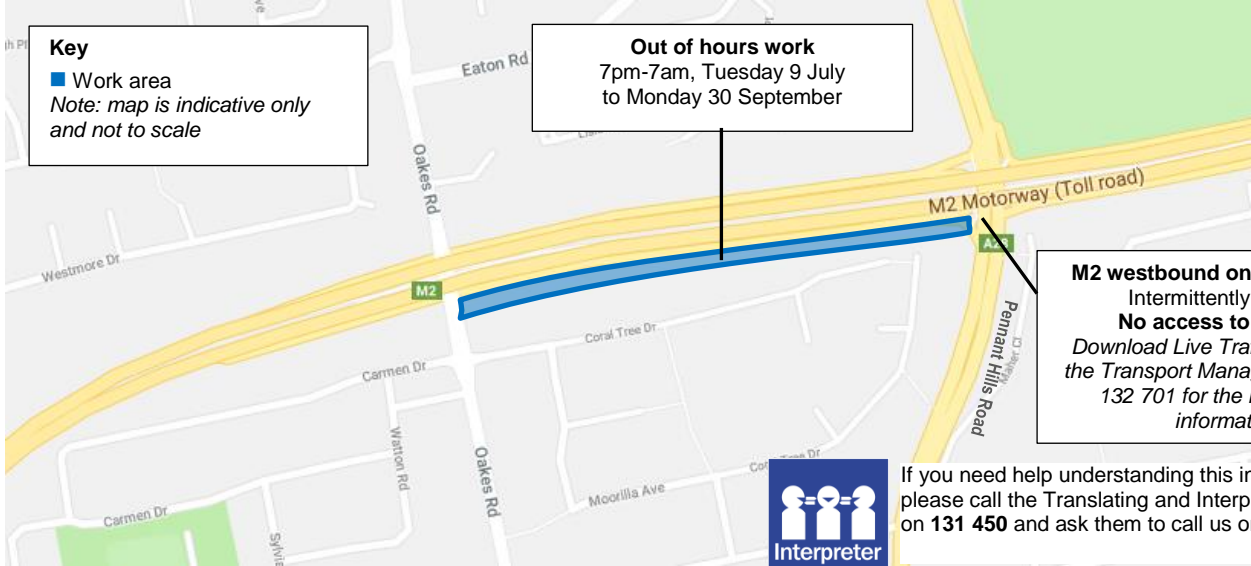

As part of work to build the cycle bridge over the NorthConnex M2 westbound exit, work on the Hills M2 westbound on ramp from Pennant Hills Road will be continuing at night.

We will be working intermittently between **7pm and 5am from Tuesday 9 July to Monday 30 September 2019**. The work will be noisy at times but we will do everything we can to minimise impacts for residents.

To minimise impacts to motorists, the Hills M2 westbound on ramp from Pennant Hills Road will be intermittently closed at night **from 9pm-6am**. Closures will be displayed on electronic message boards and available on the Live Traffic website and app prior to the closure. Detour routes are available at www.northconnex.com.au.

Please allow extra travel time and visit livetraffic.com, download Live Traffic App or call the Transport Management Centre 132 701 for the latest traffic information. For more information please call **1800 997 057** (24 hours) or email enquiries@northconnex.com.au.
