Night work update: Hills M2 Motorway

Dear resident,

NorthConnex will continue to carry out night work at a number of locations across a 4.8 kilometre stretch of the Hills M2 Motorway between Pennant Hills Road and Windsor Road, which will require motorway lane and ramp closures. For the safety of workers and to minimise delays for motorists, this work will be carried out at night. A map of the work area is included in this notification.

Ongoing construction activities around the Hills M2 Motorway

A full list of ongoing construction activities are listed in the enclosed table. To ensure the safety of motorists and workers this work will generally be carried out at night between 8pm and 5am Sunday to Thursday. Some work will be carried out between 7pm and 9am on Friday and Saturday nights as required.

Plant and equipment includes cranes (various sizes), light vehicles, lighting towers, rattle guns, generators, knuckle boom lift, trucks, rollers, concrete trucks and vibrators, excavators with attachments, asphalt pavers, core drill, street sweeper, water carts, concrete saws, piling rigs, jack hammers, grinders, power tools and hand tools.

You may experience some noise during this work and we will make every effort to minimise impact by:

- consulting with directly affected residents
- not working more than three nights a week and no more than two nights consecutively for noisy work
- using non-tonal reversing beepers on all machinery
- turning off equipment and vehicles when not in use
- using solar-powered lighting towers.

Traffic changes, traffic controllers and pedestrian management will be in place to ensure the safety of motorists, residents and workers.

Night work, changed traffic conditions and temporary closure of the Barclay Road Interchange Bus Stop

As part of ongoing work to lengthen the Barclay Road Bridge, night work to install the bridge tendons, remove scaffold and excavate and demolish the old bridge supports will be carried out on the following weekends:

- between 7pm and 9am on Friday 8 and Saturday 9 September and between 7pm and 5am on Sunday 10 September (weather permitting)
- between 7pm and 9am on Friday 29 and Saturday 30 September and between 7pm and 5am on Sunday 1 October (weather permitting)

Australian Government

BUILDING OUR FUTURE

- between 7pm and 9am on Friday 6 and Saturday 7 October and between 7pm and 5am on Sunday 8 October (weather permitting).

For the safety of workers, motorists and bus customers, during the work the bus stop will be closed. A free shuttle bus will connect customers from the Barclay Road Interchange car park to the Oakes Road bus stop. Signage will be in place to guide customers.

If the work is unable to be completed on this date it will be rescheduled to the next available night shift, which may be the following weekend.

Please allow extra travel time and visit livetraffic.com, download Live Traffic App or call the Transport Management Centre 132 701 for the latest information.

If you have any questions or complaints, please don't hesitate to contact us on 1800 997 057 (24 hours), enquiries@northconnex.com.au, or visit the NorthConnex Community Information Centre at 118 Yarrara Road, Pennant Hills, open Monday to Wednesday, from 9am to 1pm.

Yours sincerely

NorthConnex Project Team
