Night work update: Hills M2 Motorway

Dear resident,

NorthConnex will continue to carry out night work at a number of locations across a 4.8 kilometre stretch of the Hills M2 Motorway between Pennant Hills Road and Windsor Road. For the safety of workers and to minimise delays for motorists, this work will be carried out at night. A map of the work area is included in this notification.

Closure of the Hills M2 eastbound off ramp to Pennant Hills Road

As part of ongoing work to build the northbound entry to the tunnel and the new cycleway structure, a full closure of the eastbound off ramp to Pennant Hills Road will be in place between:

- **9pm to 5am on Sunday 11 March 2018**, weather permitting
- **9pm to 5am on Monday 12 March 2018**, weather permitting
- **9pm to 5am on Tuesday 13 March 2018**, weather permitting
- **9pm to 5am on Wednesday 14 March 2018**, weather permitting
- **9pm to 5am on Thursday 15 March 2018**, weather permitting.

If the work is unable to be completed on these dates it will be rescheduled to the next available night shift.

Work will include decommissioning and removal of an existing toll gantry and commissioning of a new gantry.

During this work the off ramp will be closed to all traffic. There will be two alternate detour routes in place for motorists. A map of the alternate detour routes is provided. The primary detour is via Windsor Road, Old Northern Road, Terminus Street, Old Northern Road, Castle Hill Road and Pennant Hills Road.

A secondary detour is via Lane Cove Road, Pacific Highway and Pennant Hills Road.

Roads and Maritime Services have approved all roads identified in the detours for B Doubles (heavy vehicles).

If traffic volumes are low, the eastbound off ramp may be closed before the times indicated. Motorists are advised to follow the electronic messaging boards.

Plant and equipment includes cranes (various sizes), light vehicles, lighting towers, rattle guns, generators, knuckle boom lift, trucks, rollers, concrete trucks, pumps and vibrators, sucker truck, excavators with attachments, asphalt pavers, line markers, bobcat, core drill, street sweeper, water carts, concrete saws, piling rigs, profilers, jack hammers, hammer drill, grinders, power tools and hand tools.

Australian Government

BUILDING OUR FUTURE

Transurban

You may experience some noise during this work and we will make every effort to minimise impact by:

- consulting with directly affected residents
- not working more than three nights a week and no more than two nights consecutively for noisy work
- using non-tonal reversing beepers on all machinery
- turning off equipment and vehicles when not in use
- using solar-powered lighting towers.

Traffic changes, traffic controllers and pedestrian management will be in place to ensure the safety of motorists, residents and workers.

Please allow extra travel time and visit livetraffic.com, download Live Traffic App or call the Transport Management Centre 132 701 for the latest information.

A full list of ongoing construction activities on the Hills M2 Motorway are in the enclosed table. To ensure the safety of motorists and workers this work will generally be carried out at night between 8pm and 5am Sunday to Thursday. Some work will be carried out between 7pm and 9am on Friday and Saturday nights as required.

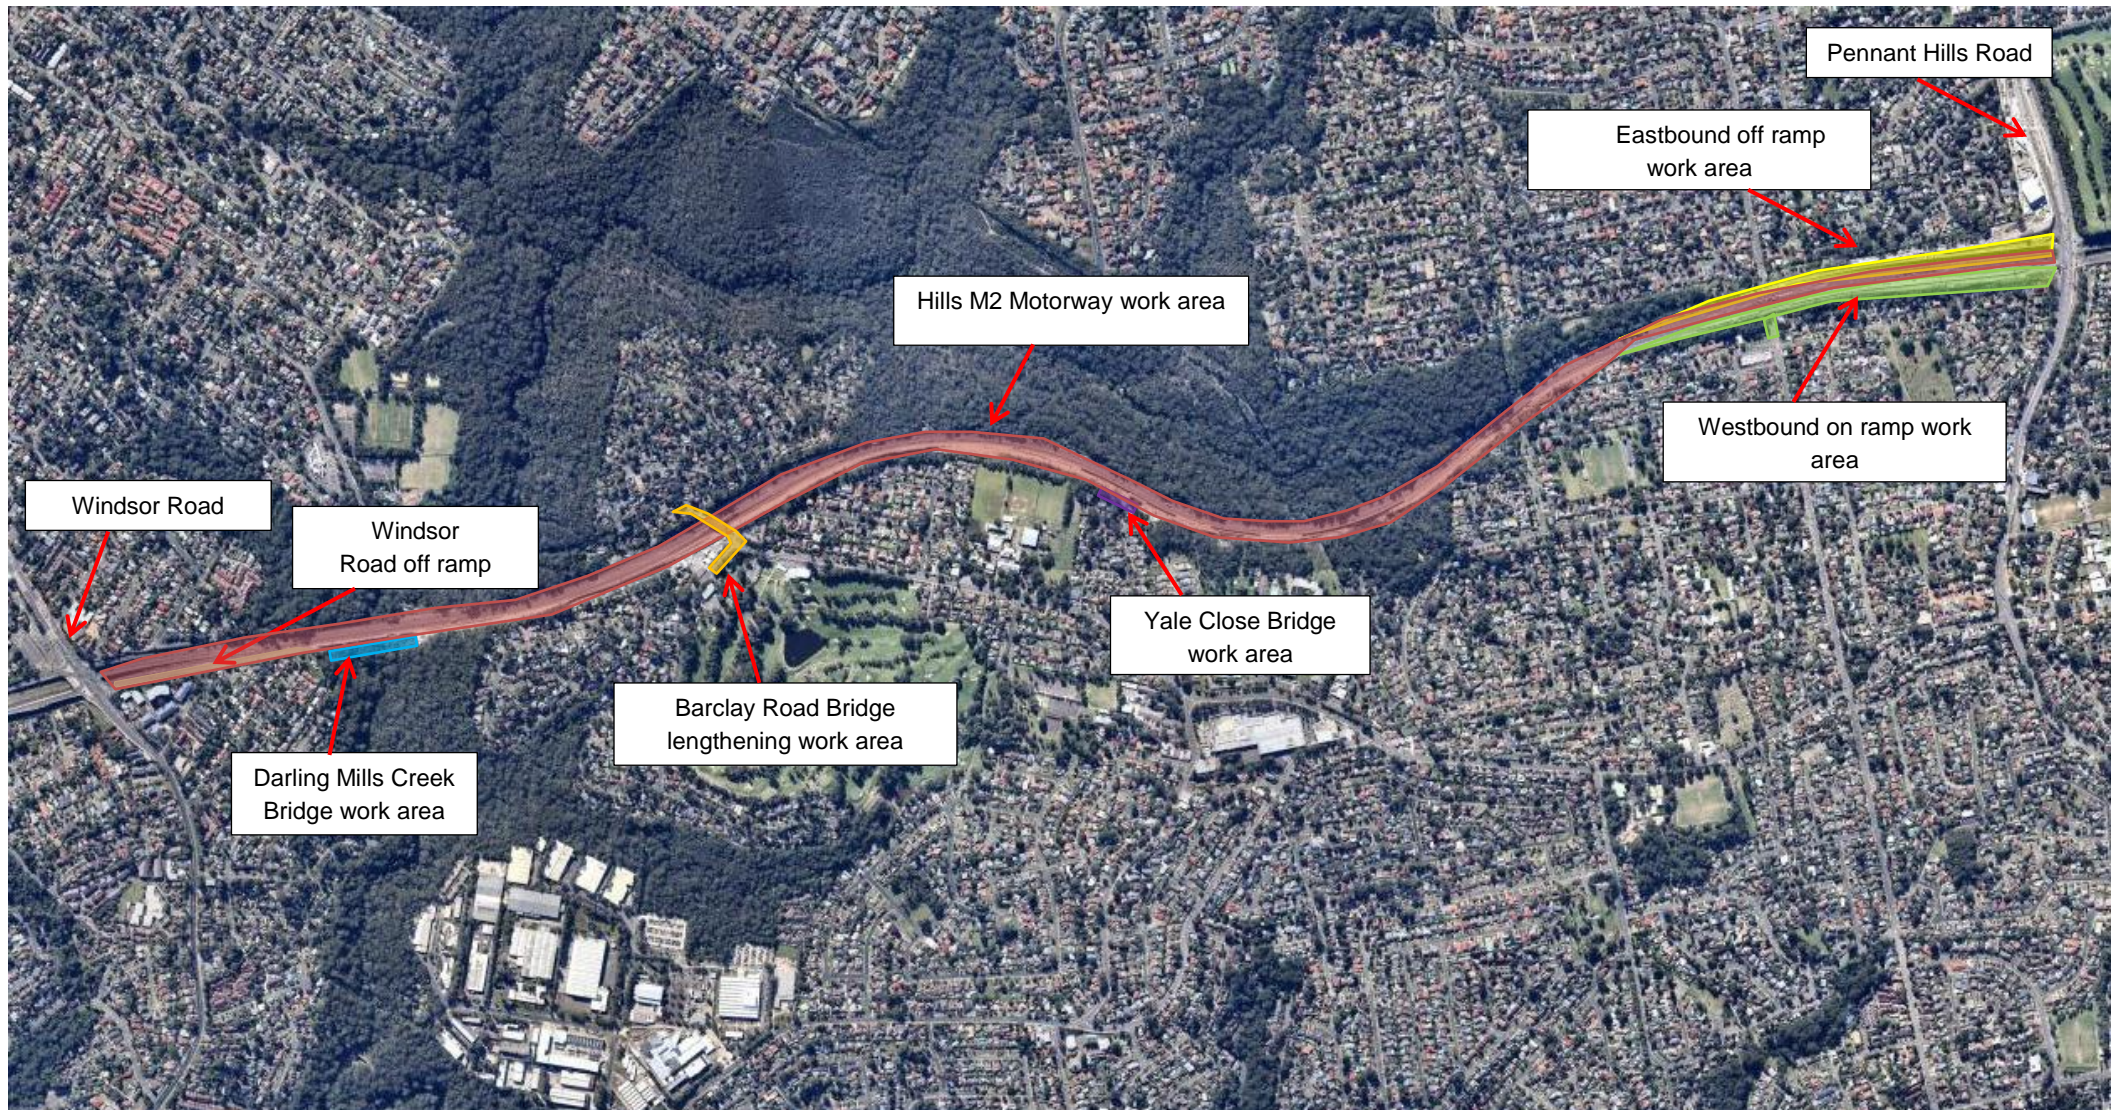

If you have any questions or complaints, please don't hesitate to contact us on 1800 997 057 (24 hours), enquiries@northconnex.com.au, or visit the NorthConnex Community Information Centre at 118 Yarrara Road, Pennant Hills, open Monday to Wednesday, from 9am to 1pm.

Yours sincerely

NorthConnex Project Team
