Night work update: Hills M2 Motorway and lane closures on the Hills M2 Motorway between Oakes Road and Barclay Road

Dear resident,

NorthConnex will continue to carry out night work at a number of locations across a 4.8 kilometre stretch of the Hills M2 Motorway between Pennant Hills Road and Windsor Road. This work will require motorway lane closures and to minimise delays for motorists and ensure the safety of workers, will be carried out at night. A map of the work area is included in this notification.

Ongoing construction activities around the Hills M2 Motorway

A full list of ongoing construction activities are listed in the enclosed table. Work listed in the table will generally be carried out at night between 8pm and 5am Sunday to Thursday to ensure the safety of motorists and workers. Some work will be carried out between 7pm and 9am on Friday and Saturday nights as required.

Plant and equipment for this work includes cranes (various sizes), light vehicles, lighting towers, rattle guns, generators, knuckle boom lift, trucks, rollers, concrete trucks and vibrators, excavators with attachments, asphalt pavers, core drill, street sweeper, water carts, concrete saws, piling rigs, jack hammers, grinders, power tools and hand tools.

You will possibly experience noise during some of these activities and we will make every effort to minimise impact by:

- consulting with directly affected residents
- not working more than three nights a week and no more than two nights consecutively for noisy work
- using non-tonal reversing beepers on all machinery
- turning off equipment and vehicles when not in use
- using solar-powered lighting towers.

Traffic changes, traffic controllers and pedestrian management will be in place to ensure the safety of motorists, residents and workers.
